CERTIFICATE OF AUDIT

Certified that the information uploaded on the official website of the Dental Council of India is properly uploaded/disclosed as per the mandate of Section 4(1)b of the Right to Information Act, 2005. I have gone through the suo motu disclosure on the official website, daily/monthly receipt and disposal of the RTI applications and appeals at Dental Council of India and the same seems to me to be properly replied with due care and caution as per the true spirit of the RTI Act 2005. Further, the proactive disclosure by the Dental Council of India duly complies with the terms of the guidelines issued by the DoPT. At this juncture I do not find that there are any other types of information which could be proactively disclosed. The handbook of information on RTI is already uploaded on the website by the Dental Council of India. This certificate is issued on the basis of the suo motu disclosure, documents/files made available to me in the capacity of consultant for auditing as a third party of the mandatory disclosure under section 4 (1)b of the RTI Act,2005.
