Subject: Re: Directive from the Hon'able Supreme Court of India; Sahara House Case Vs The Union of India and Others, Writ Petition (Civil) No. 535/ 1998

Sir,

In reference to the above mentioned case, a meeting was held with the Hon'able Solicitor General of India on 11th Sept 2009. During the discussion on this case the Hon'able Solicitor General has desired, that necessary steps should be taken to ensure that there is no discrepancy in the information on treatment protocols that are disseminated to health care providers in public and private practice. National HIV care treatment protocols are available at: http://www.nacoonline.org/Quick Links/Publication/Treatment_Care_Support/

You are requested to ensure wide spread dissemination of these protocols on your website/ meeting/ conferences etc so that health care providers are aware of national treatment guidelines and adhere to the various prescribed protocols.

This issues with the approval of Secy. (DAC) and DG (NACO).

Yours faithfully,

(Dr. D. Bachani)
Deputy Director General
